

FAQ'S

@ZOEMILESMAKEUP

DO YOU TRAVEL?

Yes! 15 miles outside of BN27 is not charged. After that, it's 30p per mile. Gotta account for those bloomin' petrol prices!

A woman with dark hair styled in an updo, wearing a white lace off-the-shoulder wedding dress and a gold necklace, is smiling broadly. She is holding a large bouquet of flowers, including white, yellow, and orange roses, with greenery. The background is a plain, light-colored wall.

WHAT PRODUCTS DO YOU USE?

I only carry products that are cruelty-free and made with a vegan formula.

Not all brands vegan products are cruelty-free and vice versa, but you can be sure that my products tick both of those boxes!

A woman with glasses and a tiara stands in front of a wall covered in ivy. She is wearing a long, flowing green gown with intricate lace detailing and a sheer capelet. The scene is outdoors, with the wall and foliage providing a textured background.

DO YOU ONLY DO GIRLS MAKEUP?

Typically, my clients tend to be female presenting and wanting my signature style. I am happy to do this style on a male presenting person too! If you're looking for more of a 'groomed' look (no pun intended) then this is definitely something we can discuss before the trial.

Three bridesmaids in dark teal dresses are standing in a room. The woman on the left is covering her mouth with her hand, looking surprised. The woman in the middle is also covering her mouth with both hands, looking surprised. The woman on the right is smiling and looking towards the camera. The background shows a window with curtains and a vase with white flowers on a table.

WHAT'S YOUR AVAILABILITY?

Get in touch asap! Due to family and other business commitments (cheeky self-promo check out @inclusiveeventsuk) I can only commit to 1 wedding per weekend. If you're a weekday nearly-wed like myself, I have more availability.

DO YOU DO LARGE BOOKINGS?

Yes! Any booking over 5 services needs an extra pair of hands. This is not only for my feet and my brain, but your timings! No one wants to be the first one for makeup on a time sheet that starts at 5am!
